FILTER INQUIRY/RFQ FORM

For Liquid, Gas, Vacuum, Coalescer and Air Intake Filtration

INQUIRY SOURCE:

** Minimum Information Required for Processing*

First Name*:	Last Name*:
Direct Telephone*:	Email*:
Fax*:	
Job Title/Function* (please circle):	Administration, Engineering, Maintenance, Production, Purchasing
Company Type* (please circle):	Consulting Engineer, Contractor, Reseller, Manufacturing, Municipal OEM, Other-specify
Company Name*:	
Address 1*:	City*:
Address 2*:	Province*:
Company Tel.*:	Postal Code*:
Company Industry* (please circle)	Automotive, Chemical, Energy, Food & Beverage, Gas, Liquefied Gas, Mining, Nuclear, Petrochemical, Pharmaceutical, Power Generation, Primary Metal, Process Cooling, Pulp & Paper, Refrigeration, Rubber/Plastics, Textiles, Transportation, Utility, Water & Wastewater Treatment, Other-specify

APPLICATION DETAILS:

NORMAL – MINIMUM – MAXIMUM

Application ID/Filter Reference*	
Process Description (eg. protect equip, refine product etc.)*	
Material of Construction*	
Fluid Type/Name*	
pH Level*	
Viscosity (SSU, cSt)*	
Specific Gravity or Density*	
Fluid Temperature (°C, °F)*	
Solids Content (Size(s) & Concentration(s))*	
Contaminant Type (solid, semi-solid, fibrous, etc.)*	
Describe Contaminants (sand, metal filings, fibers, water)*	
Required Removal (% & micron size)*	
Flow Rate (GPM, L/min, M3/Hr, SCFM)*	
Pressure (PSI) @ Temperature (°C or °F)*	
Clean Pressure Drop (PSI)*	
System Design Pressure (PSI @ °C or °F)*	
Connection Size/Type*	
Arrangement (Simplex, Duplex)*	
Hours of Operation (per day)*	
Duty Cycle (Continuous, Intermittent)*	
Type of Installation (Stationary, Portable)*	
New or Existing Installation	
If existing, describe filter set-up, part numbers	
Additional Information/Sketch-USE A SEPARATE SHEET	<i>Send pictures to: info@adprocesssupply.com</i>
